Self Portrait

on 10/9/18 immediately after  
receiving news that on 9/24/18 the  
pro se petition for rehearing was

GRANTED in In RE: Frederick H. Banks,  
No. 18-1014 (3rd Cir 9/24/2018) (Mandamus  
Action for Self-Representation in USA v.  
Banks, 15CR168 (WOPA). The Trial Judge  
ruled previously that Banks was incompetent  
to represent himself.

Banks is absolutely amazed that the  
Trial Judge has held him in prison for nearly  
38 months and counting on a case that  
carries just 16 months under the Sentencing  
Guidelines in violation of the Due Process &  
Equal Protection Clauses in the U.S. Constitution.
